**INNOVATION IN LIFE SCIENCE & HEALTH**

# Making the difference

The ambition to make the difference:

Accelerating  
innovation

Improving accessibility  
and quality of care

Durable activity  
and economic growth

# Almost 250 partners

## 75% businesses

## 6% healthcare institutions

## 6% onderwijsinstellingen

## 3% government agencies

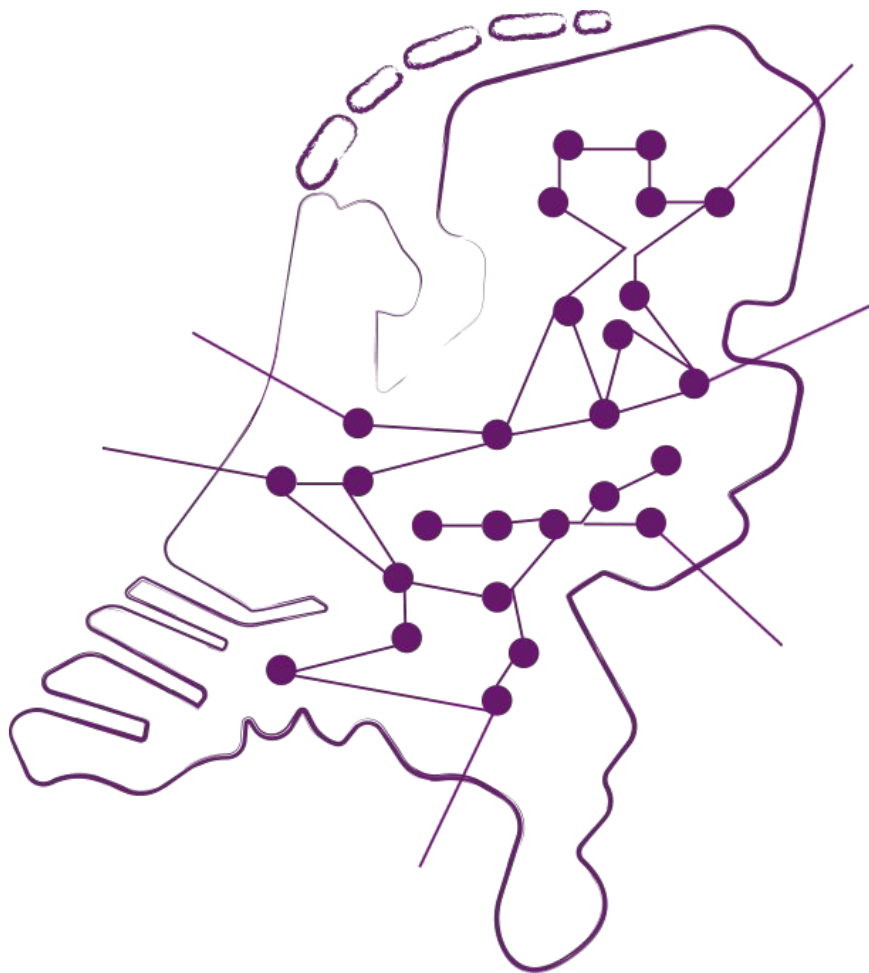

## 10% networks

# How do we achieve this ambition?

- At least 30 meetings with business relations per year, including the biggest networking event in the area of care innovation: the Health Valley Event
- Innovation support and active matchmaking
- National and international network building
- Profiling and branding
- Innovation projects

# Around 200 collaborative ventures

The poster features a vibrant red background with a grid of dashed lines. Several stylized human head silhouettes are scattered across the design. The leftmost head contains a black circle with a white house icon. The head to its right contains a black circle with a white icon of two people. On the right side, a head contains a black circle with a white 'L' icon, and another head below it contains a black circle with a white smartphone icon. A blue circular burst in the bottom right corner is surrounded by small blue dots and contains the text '10th edition'.
