

Ethical review by DEC

> independent advice to the CCD on project proposals and amendments

A. Uncertainties (inconsistencies, missing information, etc.)	➔	Questions to RS (one round)
B. All points in DEC-advice document can be assessed (21 content questions + NCad-advice)	➔	Advice to CCD, positive or negative
C. Fundamental questions about relevance of proposal (as in purpose, scope, experimental approach, suitability animal model)	➔	Non assessable, back to CCD (must with questions DEC)

**Phase I
AWB review**

**Phase II
DEC review**

**Phase III
CCD review**
