Instruction for existing files (files already known at CMO: files with a registration number)

Introduction: instruction CMO-Online for existing files

- Link to the upload form <u>https://cmoformulier.radboudumc.nl/CMOCodeNumberCheck.aspx</u>
- CMO-Online is the digital portal from the Research Ethics Committee
- Documents are uploaded by applicants where after the documents are automatically send to the portal
- A file number (dossiernummer) and file code (dossiercode) are required for a successful upload
- You can contact the CMO in order to the retrieve the code and number

Instruction CMO-Online: existing files

- The CMO only receives documents that are uploaded correctly
- Correct upload means:
 - PDF-file with right construction of file name
 - always accompanied with a cover letter (document type A in the standard research dossier)
 - The documents can't be larger then 75mb per document

Correct upload:

- CMO-Online only accepts documents in PDF-format
- All documents should contain a version (versionnumber and/or versiondate)
- Next symbols are forbidden in the file name:

 In CMO-Online documents are arranged in accordance with the CCMO-standard research dossier.

Save your PDF as follows:

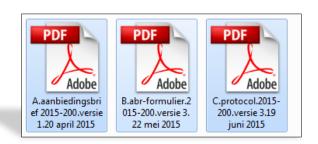

A.aanbiedingsbrief.dossiernummer.versie.datum

B.abr-formulier.dossiernummer.versie.datum

C.protocol.dossiernummer.versie.datum

C.amendement.versie.datum

I.onderzoeksverklaring .LUMC.dossiernummer.versie.datum

Dossiercode + dossiernummer

- For the upload process, you need a dossier code (dossiercode) and dossiernummer (file number). Be aware: there's a dash – between de digits, not a slash (/)
- In case you want to upload a document but you don't have the code: you
 can retrieve this code by sending your request to
 commissiemensgebondenonderzoek@radboudumc.nl : do not create a
 new file (dossier)!
- STORE and use this code and number: as long as the research is active (not closed)
- You can distribute the code and number among your research team

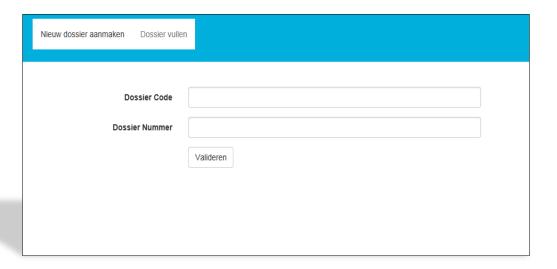

Click on 'DOSSIER VULLEN' (filling dossier)

and

fill in Dossier Code (e.g. CMOuUu) + Dossier Nummer (e.g. 2014-900)

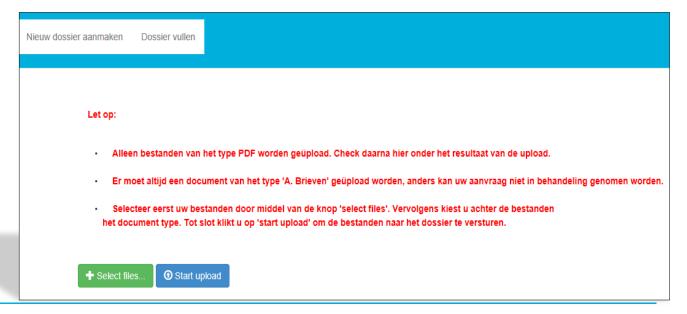

and

click on 'Valideren' (validate)

Click on SELECT FILES to select the documents you want to upload in CMO-

Online

Select 1 by 1 the documents you want to upload:

Be aware: only PDF-files are accepted

the following symbols are not accepted:: \(\text{: * ? " < > | # { } % ~ &

'A. Brieven' is automatically placed behind the selected documents

You need to change this to the right type...

... by using the selection menu:

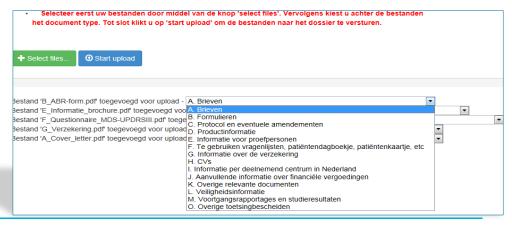

for the ABR-form, B. Formulieren

for the research protocol, C. Protocol en eventuele amendementen

for the Investigators Brochure, D. Productinformatie

for the information for research subjects E.Informatie voor proefpersonen

etc. (visit <u>www.ccmo.nl</u> for the right dossier classification)

- ALWAYS upload at least 1 file of type A (= cover letter, aanbiedingsbrief). In the absence of a cover letter, the committee doesn't get the message that documents were uploaded in the file As a consequence, the document cannot be taken in further consideration

- Mention the documents you uploaded in the cover letter

- The contactperson receives an acknowledgement of receipt after the upload process
- After a successful upload, the CMO receives your submission in CMO-Online. After the committee has taken the submission in consideration, you will receive an e-mail with the reaction
- We wish you very good luck with CMO-Online!
- For questions and suggestions, please contact the CMO: commissiemensgebondenonderzoek@radboudumc.nl
