## Radboud Data Repository Introduction Sessions

The **Radboud Data Repository (RDR)** will become the preferred generic data repository for Radboudumc research data!

Use the RDR to **collect, manage** and **share** your research data.  
Suitable for **all types of data**, including large datasets and sensitive data.

Curious? Join the **RDR Introduction Sessions** on one of these three occasions:

- ❖ **08 April**, 14:00 – 15:00 h, Experience center (Waalbrug A+B+C)
- ❖ **16 May**, 12:00 – 13:00 h, Experience center (Auditorium)
- ❖ **21 May**, 13:00 – 14:00 h, Experience center (Waalbrug A)
