

RIMLS BEST MASTER THESIS

The Master's thesis is a proof of the ability of a Master's student to perform scientific research and to present his/her findings in a clear and concise manner. Yearly RIMLS gives an award to the most outstanding Master's dissertation.

Award: 250 Euros

Award date: New Year event, 11 January 2022, 16.00 hrs

Application procedure

- Nominations should be sent to rims.info@radboudumc.nl at the latest **24 November 2021**.
- Nominations must be accompanied by a motivation letter of the supervisor including (a digital) copy of the report.

Selection procedure

- A RIMLS jury will be responsible for awarding the best master thesis
- MSc awarded between 1-1-2021 and 31-12-2021
- RIMLS affiliation is mentioned in thesis
- Considerations for selection are:
 - Conciseness and clarity of research question(s), results, conclusions and future perspectives of the thesis
 - Scientific and/or societal impact of the thesis
 - Multidisciplinary nature of the thesis
 - Related publications and/or patents
