

Midsummer Night Event

21 June 2023 16:00 – 22:00 hrs

Lecture Gijs Meeusen Drinks & BBQ at the Experience Center For PhD candidates & Postdocs

This year's Midsummer Night Event follows onto the Research Strategy Day, where the newly developed research programs will be presented. These programs will replace the current research themes, and you will be among the first to learn about them in a short poster session. A subsequent entertaining workshop about science communication will inspire you until it's time to barbecue.

Program

- 16:00 hrs: Poster session on the newly developed research programs
- 17:00 hrs: Looking back at the Research Strategy Day (*Guillén Fernández*)
- 17:15 hrs: Science Communication – Theatrical tools to kiss your audience awake (*Gijs Meeusen*)
- 18:30 hrs: Drinks & BBQ

Please register before 9 June!
