

## RIMLS BEST PhD THESIS

The doctoral thesis is a proof of the ability of the PhD candidate to perform independent scientific research. Yearly RIMLS gives an award to the most outstanding thesis.

**Award:** 500 Euros

**Award date:** Online New Year event, 12 January 2021, 16.00 hrs

### Application procedure

- Nominations should be sent to [rims.info@radboudumc.nl](mailto:rims.info@radboudumc.nl) at the latest **6 December 2020**.
- Nominations must be accompanied with a motivation letter including (a digital) copy of the thesis.

### Selection procedure

- Supervisors ((co)promotors) are invited to propose candidates
- Thesis is successfully defended between 1-1-2020 and 31-12-2020
- PhD students participated in RIMLS PhD program
- RIMLS affiliation is mentioned in thesis
- Portfolio of training *preferentially* included in thesis
- A RIMLS jury will decide upon the winning thesis based on a short motivation highlighting why the thesis is groundbreaking.
- Considerations for selection are:
  - Conciseness and clarity of research question(s), results, conclusions and future perspectives of the thesis
  - Scientific and/or societal impact of the thesis
  - Multidisciplinary nature of the thesis
  - Related publications and/or patents
