

RIMLS Image Award

To participate in this contest, submit an image and a short explanation as shown below.

Award: 150 Euros

Award date: 11 January 2023

Application procedure

- The image should have been made with a MIC microscope
- The image can be used by RIMLS to promote the RTC MIC
- Submit an image (as high resolution jpeg file) accompanied by an explanation (~300 words) describing the image technically and motivating why this image should be awarded.
- The requested info should be sent to rims.info@radboudumc.nl with a deadline of:
10 November 2022.
- A RIMLS jury will be responsible for selection of the award-winning image.
- The award-winning image will be announced at 11 January 2023
