CONTACT

Dear fellow PhD candidate,

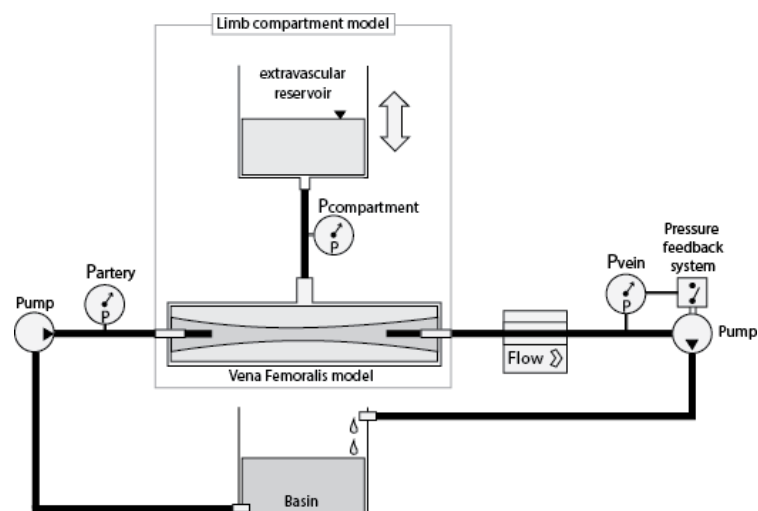

After the summer break, we are looking forward for the next activities we have planned for you such as the Illustrator Workshop, the PhD retreat, and the Excursion. In this newsletter we will give you more information about them. We also want to share information about the eBROK course, New Frontiers Symposium, Career development workshop, and the PhD Gala. Moreover, we are looking for new council members, if you want to join or have any questions or comments don't hesitate to contact us.

Best wishes,
The RIHS PhD council

UPCOMING ACTIVITIES

NOVEMBER: ILLUSTRATOR WORKSHOP FOR BEGINNERS

In this Science & Skills workshop we will have Harm Weekenstroo, from the department of Radiology. He will show us what we can do with Illustrator in an interactive workshop, so remember to bring your laptop. We will cover the basics of how to create geometrical primitives and how to use Illustrator to create a schematic of your experimental setup as shown in the following image.

We'll send you further details soon, so keep an eye for the invitation because there are limited places.

NOVEMBER: RIHS PHD RETREAT

These are the last days to register to the PhD retreat, so don't miss the opportunity to share your research and get to know other PhD candidates. There will also be workshops focus on career and personal development. Next to all the science, we will have a social dinner and pub quiz. All PhD candidates are invited to submit an abstract including your research plans or study results.

We will have a keynote lecture by Bas Haring, professor in the Public Understanding of Science at Leiden University, who was recently awarded with the 'Clear Language Price' for being the clearest and best understandable Dutch academic. Additionally, we will have three interesting workshops about Design Thinking, Future after PhD, and Mindfulness.

Date: 22 & 23 November 2018

Location: Golden Tulip Hotel Central in Den Bosch

Registration deadline: October 11

For more information and registration check the website [here](#).

JANUARY: EXCURSION DUTCH HEALTHCARE AUTHORITY (NZA)

We will organize an excursion to the Dutch Healthcare Authority (Nederlandse Zorgautoriteit [NZA]) in Utrecht. The NZA protects the interests of citizens with regard to accessibility, affordability, and quality of health care in the Netherlands. With that in mind, the NZA sets rules, regulates health care providers and health insurers, and gives advice to the Ministry of Health, Welfare and Sport. After the visit, we'll have a social activity around Utrecht. We'll send you more information close to the date, so watch out for the invitation.

Date: 25 January 2019

Time: 10:00 - 15:30

Location: Utrecht

EBROK COURSE

Complete the eBROK® course before May 1, 2019!

In 2019, the provider of the eBROK® will change. The NFU has signed a contract with Elevate Health to improve the eBROK® and make it up-to-date. This has consequences for everyone that follows the eBROK® or is intending to do so.

When is the closure of the current eBROK® environment?

The current eBROK® environment closes by May 1 2019. One has to complete the eBROK®-course before May 1, 2019, including passing the exam.

Until when can I purchase the current eBROK® course?

The current course can be purchased until November 1, 2018. Please note, one must pass the exam before May 1, 2019.

When is the new eBROK® course available?

The new eBROK® course is available from February 1, 2019.

For questions you can contact the BROK coordinator from the Radboud UMC: marten.onnink@radboudumc.nl, you can also check this [link](#).

RIHS will organize the 12th edition of the Radboud New Frontiers symposium. The first day is about the way big data changes healthcare, it will be in English and has researchers from a broad range of disciplines. The second day is about network care, it will be in Dutch and is organized for healthcare stakeholders (professionals, policy makers, insurers, patients) as well as healthcare researchers.

Date: 1 and 2 November

Location: Radboud Auditorium, route 296

Registration: Possible for either one day or both days, following this [link](#). For more information check the [website](#).

CAREER DEVELOPMENT WORKSHOP

This workshop is organized for all final year PhD candidates and postdocs, which consists of two separate days. The first day you will find out what drives you and will have a career orientation by means of discussion. The second day is focus on your personal skills, networking, and you will set your goals for the future.

Date: 30 October & 13 December
